

E EUCLID SCHOOLS

Free Meal Program

Beginning Monday, August 24th, 2020

The safety and well being of our community's students is our highest priority during this time of virtual learning. To ensure Euclid's children are well-fed during this time, the school district will be preparing and distributing meals for every child pre- k - 12.

All children will be provided with meals to take with them, no questions asked.

Important Notes

- This will be a curbside distribution service. Please do **not** get out of your car for any reason.
- There will be no facilities available to eat the meal and no congregation permitted on school property.
- Two breakfast meals and two lunch meals will be provided to limit trips to the district.
- Further information will be provided periodically as we assess the program.
