Noble Academy Cleveland
Summer Reading Program 2021
This year, Noble Academy is hosting a summer reading program using Accelerated Reader and MyOn. This packet contains everything families need to know to log in, participate, and earn rewards, which include an ice cream sundae party and movie theater night!

**HOW DOES IT WORK?**

- Our goal is to have scholars read 15-20 minutes a day whether they are reading a book from home, visiting the local library, or using the MyOn website.
- After they have read a book, they need to log on to their Accelerated Reader account to take a reading comprehension quiz. If the scholar is using MyOn, they will be directly taken to the quiz.
- If they are using a physical novel, scholars can search for the book on AR or use www.arbookfind.com to find the book’s quiz number.
- Then scholars must take the AR quiz within their personal reading range, which is listed:

TIPS FOR SUCCESS:

- Make sure you are able to login to MyOn and AR (through Clever). If not, contact the office for help.
- Plan out your reading in advance and use your time wisely! Don’t save all the reading for the last few days.
- Follow the Noble Academy library IG account (@knightreading) for recommendations, reminders, and live events!
- Look up a book on www.arbookfind.com first to make sure there is a quiz available, see how many points it’s worth, and if it falls within your reading range!
