

NOBLE ACADEMY CLEVELAND SAFETY PROTOCOLS FOR 2021-2022 SCHOOL YEAR

ALL IN-PERSON LEARNING, No Virtual Learning Option Available

K-8 attend 5 full days a week
Safety protocols and 3 ft distancing

Health checks, including temperature, at home for everyone before entering the building

Face coverings required on all school transportation, for all entering the building and must remain on in proper position indoors. Masks optional outdoors.

3 ft distancing in classrooms, and everywhere in building when possible

Hand sanitizer available in every classroom and all common areas

Cleaning supplies to sanitize will be available throughout the day

Extra cleaning during the day of restrooms, stair rails, door knobs and all common areas.

Additional sanitizing during the evening by night cleaning crew.

Additional air ventilation devices used in the building. HVAC system being upgraded to include air ionization.

Cafeteria and classrooms may be used for lunch/breakfast to ensure proper distancing. Sneeze guards used in the cafeteria.

Water fountains closed (scholars may bring water bottles and touchless water refill stations will be available on each floor)

No visitors or volunteers - all scholars must enter the building unaccompanied

No shared school supplies.

Regular movement from class to class.

Physical Ed classes and recess will use playgrounds and gym with safety protocols

All office/classroom visits for business, meetings and conferences by appointment through Zoom/ Google Meets.

School uniform required. New this year: Gym uniform is optional, but tennis shoes are required. Scholars may wear their gym uniform or school uniform on gym days.

To begin school year there will be no field trips, after school activities, clubs and/or sports planned. We hope to change this as soon as possible.

Family Expectations related to Classrooms & Common Areas

Conduct a wellness check including temperature prior to sending your scholar to school. Scholars with a temperature over 100.4F must stay home and be clear of fever for 24 hours before returning to school.

Provide a clean mask for your scholar to wear to school each day. If you cannot provide a mask, the school will provide one.

Remind your scholar not to trade or share masks with their peers.

Provide your scholar with a water bottle daily as fountains will be closed. A water refill station will be provided on each floor.

Provide small book bag to safely transport Chromebook (in provided sleeve) and minimal supplies back and forth to school daily.

Use your school account to monitor your scholar(s) progress 24/7. Communicate questions and concerns immediately to staff.

Scholar Expectations in Classrooms & Common Areas

Wear a mask when entering, exiting, or moving around the classroom, hallways and all common areas. Wear a mask when working directly with others when distancing cannot be maintained.

Bring Chromebook to school daily. Keep Chromebook in provided sleeve when not in use.

Maintain maximum physical distance from peers.

Avoid sharing school supplies. Properly store your school supplies in container provided by school.

Only carry Chromebook and minimal supplies to and from school.

Pay careful attention to the building signage and follow all directions. Stay to the right when traveling in the building.

Remain in your seat or designated area unless given permission otherwise.
